LIGHTIFY Pro Gateway

LIGHTIFY Pro Gateway |

Areas of application

- Wide range of applications
- Cable-less and flexible installations
- Modernization of existing systems
- Suitable for indoor applications

Product benefits

- Control and configuration via smart devices (iOS)
- LIGHTIFY based on standardized wireless ZigBee communication protocols
- Easy to install and use
- High efficiency and reliability
- Simplified startup thanks to predefined operation modes
- Maintenance-free operation and minimal installation costs
- Flexible mounting concept
- High system scalability
- Load, save and duplicate system settings
- Mains voltage interruption buffer battery

Product features

- LIGHTIFY Pro wireless network component
- Connects smart devices with LIGHTIFY lamps, luminaires and components
- Connects up to 100 lighting products via LIGHTIFY function
- Integrated clock for event control

Technical data

Light technical data

Light color management	Adjustable color temperature / RGB color control

Dimensions & weight

Product weight	250.00 g
Width	85.0 mm
Height	26.2 mm

Capabilities

LIGHTIFY technology	Yes

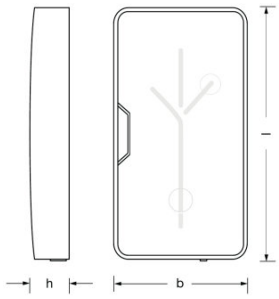

Equipment / Accessories

- LIGHTIFY Pro app or software required

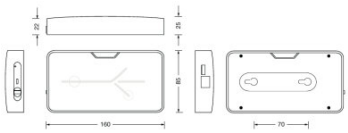

Safety advice

Installation by qualified electrician only.
